Places Visited

Salts Mill

In 1853, Salts Mill was opened by Sir Titus Salt as a huge textile factory. During the peak of its production, the mill manufactured 30,000 yards of cloth every single day and was an integral aspect of both the British and global textile industry. Now the space has been transformed into a hub for art and leisure and contains one of the largest collections of work by the Bradford born artist, David Hockney. This permanent collection displays paintings, prints and photographs dating from 1960's to the present day. Salts Mill is located in the village of Saltaire which is a UNESCO World Heritage Site and a centre of architectural and historical importance.

Yorkshire Sculpture Park

Experienced and enjoyed by thousands of visitors each year, Yorkshire Sculpture Park is an international centre for contemporary art which aims to 'challenge, inspire, inform and delight'. Here you will find both stunning open-air displays and fascinating indoor exhibitions by some of the world's finest artists such as Henry Moore, Anthony Gormley, Barbara Hepworth and Andy Goldsworthy. This is combined with a unique, beautiful and historical location of rolling rural countryside.

Hepworth Wakefield

The Hepworth Wakefield gallery opened in 2011 and has been described by the Independent as "one of the finest contemporary art museums in Europe". The gallery places emphasis on work from Wakefield's own art collection by artists such as Henry Moore, Ben Nicholson, Graham Sunderland, Paul Nash and LS Lowry. This is combined with exhibitions by modern artists, and rarely seen works by Barbara Hepworth. Designed by British architect David Chipperfield, the gallery is a striking example of innovative contemporary architecture and can be regarded as a work of art in itself.

Practical Information

Tour manager - Your tour manager will be on hand throughout the tour to ensure that everything operates according to plan. If you have any problems or questions, please see him or her immediately – it is often possible to resolve complaints or problems very quickly on the spot and do everything to help you enjoy your holiday.

Tipping – To keep our tours affordable, we do not increase the tour price by adding in tips. However, in the tourism industry, there is a certain level of expectation that when receiving a good service, one does award with a tip. Tour Managers, Representatives, Guides and Drivers appreciate a tip at the end of their involvement with the tour, but this is entirely at your discretion. We believe in allowing you to tip according to your level of satisfaction with their services, but for your guidance about £2-3 per person per day for the tour manager is the norm. We would like to reiterate that tipping is an entirely optional payment, and this information is given purely to answer any questions you may have about it.

Grading – This tour has been graded as **Moderate**: Walking between sites, lots of standing for viewing.
